Dear Editor and Reviewers, we are pleased to present you a revised version of our manuscript entitled ‘Acoustic wave propagation in rivers: an experimental study’. This version has been modified in regards to the detailed comments of two anonymous reviewers. We are grateful to the time given in reviewing our manuscript and to help us in improving our work. A document listing the replies to each review is attached to the revised manuscript (as well as a track-changed version). We hope that you will appreciate this new version and we are looking forward to hearing your opinion.
