

Interactive comment on “Earthquake-induced debris flows at Popocatépetl Volcano, Mexico” by Velio Coviello et al.

Velio Coviello et al.

velio.coviello@unibz.it

Received and published: 4 October 2020

We thank Dr Roverato for his support. We revised figures and figure captions as suggested and we performed a general revision of the English. We considered all the minor comments provided to the text, we thank the referee for his detailed reading of the manuscript. Please find the manuscript enclosed with track changes.

Best regards, Velio Coviello
